

LOCAL LAW NO. O FOR 2018

A LOCAL LAW OF THE COUNTY OF ALBANY, NEW YORK, AMENDING SECTION 207 OF THE ALBANY COUNTY CHARTER AND LOCAL LAW NO. 8 FOR 1993 AS SUBSEQUENTLY AMENDED RELATING TO COMMISSIONS ON REDISTRICTING

Introduced: 05/31/18

By: Ms. Cunningham, Mr. Crouse, Ms. Willingham, Messrs. A. Joyce, Domalewicz, Fein, Higgins, Ms. Lekakis, Mr. O'Brien, Ms. Plotsky, Messrs. Simpson, Mayo, Reinhardt, Ms. McLean-Lane, Messrs. Bullock and R. Joyce

Statement of legislative findings and intent.

The Albany County Legislature hereby embraces the creation of the Albany County Commission on Redistricting, (the Commission) which will facilitate a non-partisan, independent, inclusive and participatory redistricting process for the County's legislative redistricting following the next federal census in 2020, and thereafter. Pursuant to law, the County's legislative districts must be adjusted in accordance with the relative population growth and shifts as indicated in the census to ensure that fair representation for each resident is maintained.

The legislative redistricting process shall be conducted by this independent Commission, which shall be adequately funded to carry out its responsibilities and to hire independent, expert professional staff. Further, the Legislature wishes to tap into the expertise of the newly established Albany County Legislature Black Caucus (adopted as Resolution 125 of 2018 by unanimous vote of the Albany County Legislature) to facilitate the creation of the Majority Minority District (MMD) Redistricting Subcommittee, with the purpose of assisting the Commission in providing a laser focus to ensure the fair representation of Albany County minority communities in all aspects of the redistricting process. It is the intent of the Legislature that the Commission and the MMD Redistricting Subcommittee shall work collaboratively, in tandem, with a high level of communication and interaction between the two bodies.

Neither the Commission's members nor the Members of the MMD Subcommittee shall include elected officials or party officers, family members, legislative staff, or candidates for elective office. The Commission shall be transparent, accountable and function independently, without the undue and improper influence of sitting elected officials and their representatives. The Commission's work shall be accomplished through a professional process that invites experts in the areas of redistricting, law, county geography and other important elements that are key to securing a credible, responsive, and accountable redistricting process and outcome.

PURSUANT TO SECTIONS 10 AND 33 OF THE MUNICIPAL HOME RULE LAW
AND SECTION 2701 OF THE ALBANY COUNTY CHARTER:

Be it enacted by the County Legislature as follows:

Section 1. The Albany County Charter is hereby amended by deleting the existing Section 207 and adding a new Section 207 to read as follows:

[Section 207 Change in Districts.

The County Legislature shall appoint a Reapportionment Commission of seven (7) persons evaluate the existing County Legislative districts for equity and representation in relation to population: (a) within six (6) months after the publication of census tracts and block statistics based upon each federal census taken in the County; or (b) within six (6) months after the publication of census tracts and block statistics based upon any federal or special population census, taken pursuant to Section 20 of the General Municipal Law, and held not more than once every five (5) years; or (c) after any annexation which has the effect of increasing or decreasing the population of any County Legislative district by more than ten percent (10%). The Reapportionment Commission shall include representation of the two (2) principal political parties, and residents of the County in such proportion so as to reasonably reflect the demographic composition of the County.

The Reapportionment Commission shall review the population data and within three (3) months after appointment shall make recommendations, if necessary, in the form of a proposed local law as to changes in the boundaries of County Legislative Districts. In its deliberations to redesign County Legislative Districts, the Reapportionment Commission shall consider the application of the "one person, one vote" concept and the Equal Protection Clauses of the Fourteenth Amendment of the United States Constitution and Article I, §§ 1 and 2, of the New York State Constitution.]

Section 207. Commission on Redistricting.

- A. A Commission on Redistricting (identified in this local law as "the Commission") shall be established to make recommendations to the County Legislature on whether and how the County Legislature should be redistricted when required. This process shall be completed before the next*

county legislative election following the federal decennial census.

B. Commission Composition

- 1. The Commission shall consist of nine (9) members who are County residents, registered voters in New York State, but shall not have been in the last four years immediately preceding the creation of the Commission: 1.) a publicly elected official, which shall mean any individual elected to local, county, state or federal office, excluding school board members and library trustees, but including those elected as members of political parties; 2.) a state employee who serves as a political appointee or legislative employee; 3) a political party chairperson or officer. Further exclusions of individuals that may not serve on the Commission are fully identified in Section F.*
- 2. The Commission Members shall be selected to reflect the diversity of the residents of this county with regard to race, ethnicity, gender, language, and geographic residence (including representative of rural/small communities). In selecting Commission Members, the Legislature shall consult with organizations devoted to protecting the voting rights of minority voters as recognized by the federal Voting Rights Act of 1965 (as amended). These requirements will ensure that the Commission's members are both independent, representative of the County's diverse communities, and sensitive to the critical importance to voters of fair and proper district lines.*
- 3. The Commission shall be constituted prior to the formation of the MMD Subcommittee.*

C. Majority Minority District Redistricting Subcommittee – Intent and Functions

- 1. To ensure that the voting interests of minority residents and voters are adequately and appropriately incorporated into a redistricting proposal, a special Majority Minority District (MMD) Redistricting Subcommittee (identified further as the MMD Subcommittee) will be also established that will work collaboratively and in tandem with the Commission. The MMD Subcommittee will be created as a vital component of the Commission's work and efforts and shall make recommendations to the Commission regarding the configuration of minority districts, with the goal of protecting voting rights of minority residents and ensuring electoral representation of minority residents residing in MMDs. The unique focus of the MMD Subcommittee shall be to ensure the representation of Albany County minority communities in all aspects of the redistricting process.*
- 2. The MMD Subcommittee shall have the authority and funds to contract its own outside legal/redistricting consultant.*

MMD Subcommittee Members shall be County residents, registered voters in New York State, but shall not have been in the last four years preceding the creation of the MMD Subcommittee: 1.) a publicly elected official, which shall mean any individual elected to local, county, state or federal office, excluding school board members and library trustees, but including those elected as members of political parties; 2.) a state employee who serves as a political appointee or legislative employee; 3) a political party chairperson or officer. Further exclusions of individuals that may not serve on the MMD Subcommittee are fully identified in Section F.*
- 2. Appointments to the MMD Subcommittee may be made in the year of the census, after extensive, repeated solicitation by the Albany County Legislature of potential appointees that are knowledgeable, capable, interested and experienced in the redistricting field. The Albany County Legislature shall use all communication means necessary to educate the public on the Commission and MMD Subcommittee process and need for appointees.*
- 3. After a County-wide solicitation of potential appointees, the Chair of the LBC shall make advisory recommendations to the Chair and Members of the Commission regarding qualified candidates to serve on the MMD Subcommittee. The Commission Members, by a majority vote, appoint three (3) representatives who shall serve on the MMD Subcommittee. Subsequently, those Members, after examining the recommendations of the Chair of the LBC, shall select the remaining members of the MMD Subcommittee, by a majority vote. The MMD Subcommittee shall select its own leadership by voting on a Chairperson at its first meeting.*
- 4. The MMD Subcommittee will be required to hold its own hearings and public forums to collect and consider the inputs from impacted communities, as well as the county communities at large. The subsequent work products of the MMD subcommittee, including the drawing of the maps of the MMD districts, shall be presented for inclusion into the final report of the Commission. The Commission shall, upon the receipt of the report from the MMD, reflect its consideration and prepare a written report to the Legislature that documents its consideration of the recommendations of the MMD Subcommittee prior to the submission of the final report to the Legislature for vote.
