Re: Applications for Corrected Tax Roll – Albany County Land Bank

Dear Chairman Joyce,

Please refer to the enclosed spreadsheet for a list of Land Bank corrections. The NYS Legislature passed a bill, effective December 28, 2018, that exempts real property of a land bank from taxation upon the date of transfer of title, notwithstanding the applicable taxable status date. The Land Bank acquired the majority of the parcels just before the 2020 property tax billing.

Unpaid water, sewer, trash fees, demolition fees and all other municipal charges lose their identity as such and become real property taxes when levied. According to Real Property Tax Law, the county legislature of any county shall direct the cancellation of any unpaid tax levied or imposed by such county where the lien of such tax is rendered permanently unenforceable. Pursuant to the legislation, and the administration of the Land Bank exemption, I recommend correcting the unlawful entries by cancelling the appropriate tax.

Sincerely.

Maggie A. Alix

Not-For-Profit Corporation Law

§ 1608. Acquisition of property

(a) The real property of a land bank and its income and operations are exempt from all taxation by the state of New York and by any of its political subdivisions. The real property of a land bank shall be exempt from: (i) all special ad valorem levies and special assessments as defined in section one hundred two of the real property tax law; (ii)sewer rent imposed under article fourteen-F of the general municipal law; and (iii) any and all user charges imposed by any municipal corporation, special district or other political subdivisions of the state, provided, however, that real property of a land bank for which such land bank receives rent, fees, or other charges for the use of such real property shall not be exempt from subparagraphs (ii) and (iii) of this paragraph. Such exempt status shall be effective upon the date of transfer of title to a land bank, notwithstanding the applicable taxable status date.

Not-For-Profit Corporation Law

- § 1607. Powers.
- (a) A land bank shall constitute a charitable not-for-profit corporation under New York law, which powers shall include all powers necessary to carry out and effectuate the purposes and provisions of this article, including the following powers in addition to those herein otherwise granted:
- (21) to organize a subsidiary for a project or projects which the land bank has the power to pursue under this article when the primary reason for which the subsidiary shall be organized shall be to limit the potential liability impact of the subsidiary's project or projects on the land bank or because state or federal law requires that the purpose of a subsidiary be undertaken through a specific corporate or business structure. All real property of a subsidiary organized under this article shall be maintained on the inventory lists required in this article of the land bank of which it is a subsidiary and the subsidiary shall make all reports and other disclosures as are required of land banks under this article and as local public authorities, unless the subsidiary's operations and finances are consolidated with those of the land bank of which it is a subsidiary. Subsidiaries organized under this article shall be established in the form of a New York charitable not-for-profit corporation or a New York single member limited liability company. Subsidiaries shall not have the authority to issue bonds, notes or other debts, provided, however, that such subsidiaries may issue notes or other debt to the land bank of which it is a subsidiary. The organizational documents filed to create a subsidiary under this article shall state that the land bank is organizing the subsidiary for the purposes set forth in this article and the name of the subsidiary shall be reasonably related to the name of the land bank of which it is a subsidiary. The real property of a subsidiary organized under this article and its income and operations are exempt from all taxation by the state of New York and by any of its political subdivisions;

Real Property Tax Law

- § 558. Cancellation of void taxes. 1. The county legislature of any county shall direct the cancellation of any unpaid tax levied or imposed by such county against property of the state or the United States where it is determined that the lien of such tax cannot be enforced. The county legislature of any county shall also direct the cancellation of any unpaid tax levied or imposed by such county where the lien of such tax is rendered permanently unenforceable by operation of the provisions of any statute. The amount of any tax so cancelled shall be a charge upon the county to the extent of the county taxes that were so cancelled and upon the cities and towns or special districts thereof to the extent of the respective city, town or special district taxes that were so cancelled. Amounts so charged to cities, towns and special districts shall be included in the next ensuing tax levy.
- 2. The county legislature of any county shall direct the cancellation of any unpaid school tax relevied by such county pursuant to subdivision five of section thirteen hundred thirty or subdivision five of section thirteen hundred thirty-two of this chapter, or any unpaid village tax relevied by such county pursuant to subdivision four of section fourteen hundred forty-two of this chapter, against property of the state or the United States where it is determined that the lien of such tax cannot be enforced, or where the lien of such tax is rendered permanently unenforceable by operation of the provisions of any statute. The amount of any tax so cancelled shall be charged against the school district or village which levied such tax. The amount so charged against a school district or village shall be withheld by the county treasurer from any moneys which shall become payable by him to such school district or village by reason of taxes which shall thereafter be returned to him as uncollected by such school district or village. No such cancellation of any unpaid school taxes or no such charge shall be made by the county legislature against any such school district or village unless ten days' notice thereof by mail shall be given to the school authorities thereof.

DANIEL C. LYNCH, ESQ. DEPUTY COUNTY EXECUTIVE

June 30, 2020

Honorable Andrew Joyce, Chairman Albany County Legislature 112 State Street, Room 710 Albany, New York 12207

Dear Chairman Joyce:

The Office of the County Executive requests approval to apply for the Federal Emergency Management Agency's (FEMA) Public Assistance grant program. The New York State Division of Homeland Security and Emergency Services (DHSES) will act as a pass-through for the grant and disburse funding to Albany County. While the period for submitting the Request for Public Assistance is currently open, the County Executive's Office was advised to submit the application as soon as possible (which it did on April 10, 2020).

On March 20, 2020, the COVID-19 pandemic was declared a major disaster in NYS. This authorized FEMA to provide Public Assistance program funding under the Stafford Act to local governments for emergency protective measures. In general, these reimbursement eligible emergency protective measures may include: management, control and reduction of immediate threats to public health and safety; emergency medical care; medical sheltering; purchase and distribution of food; and force account overtime costs.

FEMA's Public Assistance program is a payer of last resort, so assistance cannot be duplicated by other federal funding streams. Additionally, Public Assistance funding is authorized at 75% federal cost share; NYS will determine how the non-federal share (up to 25%) is split with Albany County. Determinations about what can be claimed without duplicating funding, as well as how much is ultimately awarded are ongoing.

Since the claim process involves coordinating Public Assistance and other sources of federal funding across County departments, the County Executive's Office and the Division of Management and Budget will aggregate and submit reimbursement claims on behalf of all County departments, including: Department of Health; Shaker Place Rehabilitation and Nursing Center; Department of Mental Health; Probation Department; Department of Social Services; Department for the Aging; Department of General Services; Department of Public Works; Division of Information Services; and others as appropriate.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Daniel P. McCoy

Albany County Executive

FACT SHEET

Coronavirus (COVID-19) Pandemic: Eligible Emergency Protective Measures

Consistent with the President's national emergency declaration for the coronavirus (COVID-19) pandemic on March 13, 2020, FEMA urges officials to, without delay, take appropriate actions that are necessary to protect public health and safety pursuant to public health guidance and conditions and capabilities in their jurisdictions. FEMA provides the following guidance on the types of emergency protective measures that may be eligible under FEMA's Public Assistance Program in accordance with the COVID-19 Emergency Declaration in order to ensure that resource constraints do not inhibit efforts to respond to this unprecedented disaster.

FEMA Public Assistance Program

In accordance with section 502 of the Robert T. Introduced: 05/11/20

By Messers A. Joyce, Peter, O'Brien, Ms. Willingham, Mr. Ricard

WHEREAS, By Resolution No. 283 for 1992, the Albany County Legislature created a Committee to Fill Vacancies, consisting of a representative from the County Executive's Office, County Comptroller's Office and Office of Employee Relations to determine whether vacant positions then existing or coming into existence should be filled while the County faced a substantial shortfall in revenues generated from local sales taxes due to a national recession, and

WHEREAS, Those same harrowing economic realities exist today as a result of the COVID-19 related global pandemic, and

WHEREAS, As recently as last year, the County and nation were on better economic footing, which caused the previous review of the Committee to Fill Vacancies to lapse, and

WHEREAS, At this critical time, this Honorable Body believes it necessary to take into consideration potential revenue shortfalls prior to the filling of any vacant County positions, and

WHEREAS, This Honorable Body recognizes the need to hire employees to fill critical and necessary positions, however, before a position is available to be filled, the decision to hire needs to be reviewed and approved by the Committee to Fill Vacancies for its approval, and

WHEREAS, Meaningful review of salary lines can occur without the need to place an official freeze on hiring within the County, and

WHEREAS, To sensibly effect such a review and approval process, the Committee to Fill Vacancies, as originally envisioned and set forth, needs to be expanded to include oversight so that the Legislature might perform its budgetary responsibilities to determine whether continued funding of vacant positions is appropriate, now, therefore, be it
