

Albany County Department of Children, Youth and Families has partnered with the Community Foundation for the Greater Capital Region to manage the **Children's Fund of the Albany County Department for Children, Youth and Families** to support new opportunities for education, outreach, enrichment and the enhancement of the well-being of families and to recognize and celebrate their achievements.

Established in 1968, the Community Foundation for the Greater Capital Region is solely focused on strengthening our community through philanthropy. The Community Foundation achieves this through collaboration with donors and community partners who share a vision for community transformation through stewardship of charitable endowments, superior donor services, effective grantmaking, and leadership to address community needs.

The Community Foundation manages the money contributed to more than 420 component funds, ensuring that the income and principal (if applicable) are directed to charitable uses and are in accord with the governing documents of the Community Foundation and the individual component fund.
