Anderson Center for Autism is a special education program for children with developmental delays. Children residing on the campus are typically placed via the School District, however Albany City School District is not in agreement. This child has been at Albany Medical Center for over 100 days and is in desperate need of a therapeutic program. Anderson School has been the only residential program, in New York and other surrounding States, willing and able to meet this child's needs.

This Agreement made the _____ day of _____ by the **ALBANY COUNTY**, party of the first part, hereinafter referred to as the "County" and **ANDERSON CENTER FOR AUTISM**, a chartered educational corporation, party of the second part, hereinafter referred to as the "Private School", and having its principal place of business for the purpose of this Agreement at 4885 Route 9, P. O. Box 367, Staatsburg, NY 12580-0367.

WITNESSETH: The County is authorized by law to contract with approved institutions within the State of New York for the instruction of children with developmental disabilities who are not receiving the benefit of appropriate instruction because County is unable to provide for such education in special classrooms in the public schools due to the unusual type of developmental disability or combination of disabilities, and

WHEREAS, the Private School is an educational institution approved by the Education Department of the State of New York for the education of children with developmental disabilities,

NOW, THEREFORE, the parties mutually agree as follows:

1. The Private School will provide appropriate education for children with developmental disabilities in accordance with the provisions relating to eligibility of schools contained in Part 200 of the Regulations of the Commissioner of Education of the State of New York and **Albany County** law. The identity of such children with disabilities is contained in "Appendix A", attached hereto and made a part hereof.

APPENDIX A

This is to represent an agreement between the _____ County and **ANDERSON CENTER FOR AUTISM** to provide specific education, residential and related services for the following student:
