Re: Proposed redistricting of Lark Street corridor

To Whom It May Concern,

Please accept this letter as registration to submit written comments for consideration at today's Joint Public Hearing.

The statement below is submitted on behalf of Jason and Kayleigh Pierce, owners and operators of Savoy Taproom located at 301 Lark Street in the City of Albany.

Statement:

Members of the committee we are submitting this letter today to express our opposition to the proposed legislative districting remapping that would effectively split representation of the historic Lark Street corridor into three separate legislative districts.

Well we firmly believe efforts to ensure more fair and equitable representation for all of the City of Albany's residents are of critical importance, we equally believe that this cannot and should not be done at the cost of breaking apart a community or historic business district whose voice is best and most effectively represented by a single legislative representative.

We respectfully request that the committee please consider keeping the Lark Street corridor within a single legislative district.

We thank you for your time and consideration,

Sincerely,

A handwritten signature in black ink, appearing to be "Jason Pierce", with a large, stylized flourish extending from the end of the signature.
