IV. Mapping Discussion/Update

- During the July 9th meeting the Plan C Map which was adopted was discussed with Priti Mathur of ARCBridge presenting detail about revised map C, their further review and minor changes made to tweak the map as previously discussed. As a result of the tweaks, Revised Plan C percentages remained essentially the same and the effectiveness analysis was also essentially the same with only slight changes. Some changes resulted in:
 - coming out of Whitehall in District 1
 - Adding a Washington Park area back to District 2
 - Coming out of Heldeberg and Albany Med in District 5
 - Not going into Park South in District 6
 - Neighborhood split going up
- During the discussions the commissioners were focused on ensuring any changes made were reasonable, did not result in individuals losing representation and resulted in some positive impact.

Commissioner Mazza moved that the meeting be adjourned. The motion was seconded by Commissioner Owens Cody. The meeting was adjourned at 10:58am.
