Chairman Volk convened the meeting at 4:07 PM and called the roll (see above). The minutes from August 25th were approved.

The meeting began with an update from a member of the MMD subcommittee on where they were with their final report. This is expected to be finished this week. Marissa was asked to speak with Professor Wice about when the draft Local Law would be ready to include with the report.

The commission then began reviewing the draft executive summary of the ACRC's final report, to make sure the wording was direct and understandable. The commission then started reviewing the rest of the final report and discussing formatting changes. There was also discussion with a member of the MMD Subcommittee to ensure more consistent language throughout the final report. This was followed by considerable discussion around how to handle abbreviations, and what exhibits the commission wanted to include in the final report.

The next ACRC meeting will be held on Thursday September 1st at 7:30pm.

The meeting was adjourned at 5:10 pm.

Meeting notes prepared by Nick Glass and reviewed by Tom Clingan.
