Chairman Volk convened the meeting at 7:33 PM and called the roll (see above). The minutes from August 29th were approved.

The commission began with the chairman informing the commission that the Clerk of the County Legislature would like an electronic copy of the final report plus one physical copy. The commission then discussed how far along the report was and whether they were ready to vote on the final report. After further discussion it was decided that there was still enough that needed to be done, and went over these formatting and presentation changes before a vote.

This led to a review of the final report to identify any further issues, as well as viewing all unfinished attachments to figure out potential formatting issues. They then reviewed what still needed to be done to complete the report so that it will be ready for a vote at the next meeting.

The next ACRC meeting will be held on Labor Day, September 5th at 4:00pm.

The meeting was adjourned at 8:30 pm.

Meeting notes prepared by Nick Glass and reviewed by Tom Clingan.
