III. Work Session

The purpose of tonight’s meeting is to review previously submitted maps to guide our discussions when we meet with the ARCBridge consultants upon their return from vacation next week. Our review included **Plan A** (original)

comprised of 3MMDs and 2 NHB Plurality Districts; the **Current Map** comprised of 3 MMDs and 2 NHB Plurality Districts (based upon the 2020 Census); **Plan A Revised**, comprised of 3MMDs and 2 NHB Plurality Districts; **Plan B**, comprised of 7 NHB Plurality Districts; **Plan B Revised**, comprised of 7 NHB Plurality Districts (stronger); **Plan C (MMD Draft)** comprised of 7 NHB Plurality Districts; **Plan C Revised (7/08/22)**, comprised of 7 NHB Plurality Districts; **Plan D**, comprised of 6 NHB Plurality Districts; **Lars Dahl (05/30/22)** comprised of 7 NHB Plurality Districts; **Lars Dahl (6/14/22)** comprised of 7 NHB Plurality Districts; and **Gwen Pope**, comprised of 7 NHB Plurality Districts.

In reviewing the maps, the Subcommittee members looked at effectiveness, NHB population, voting age population, MMD districts defined as 50% or greater NHB population, plurality districts (based upon the 2020 Census, two of the current MMD districts are no longer MMDs), and their compactness. This working session will guide the MMD in its conversation with and requests to ARCBridge on Saturday.

Commissioner Mazza moved that the meeting be adjourned. Commissioner Graves seconded the motion. The meeting adjourned at 7:00pm.
