LOCAL LAW “J” FOR 2022

A LOCAL LAW OF THE COUNTY OF ALBANY REQUIRING THAT ALL UNATTENDED WEAPONS IN THE HOME BE LOCKED OR KEPT SECURELY

Introduced: 9/12/22

By Mr. Reidy, Mss. McLean Lane, Cunningham and Mr. Peter::

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF ALBANY AS FOLLOWS:

SECTION 1. Title.

This Local Law shall be known as the “Safe Gun Storage Law.”

SECTION 2. Legislative Intent.

Albany County is dedicated to protecting its residents. This Legislature finds that an average of 483 deaths and 76,127 non-fatal injuries per year are from unintentional shootings. Studies have shown that, when a firearm is easily accessible, the risk of unintentional shootings rises dramatically.

This Legislature further finds that the access to [presence of] an unsecured, easily accessible loaded weapon in the home increases the likelihood of death or injury from accidents and impulsive acts. Guns left unattended in the home should be kept locked or stored securely to prevent access by children and others who should not have access to them. Gun owners are responsible for keeping their firearms from falling into the hands of children and other unauthorized individuals.

The purpose of this Local Law is to provide for and promote the health, safety and welfare of the general public by requiring that all unattended weapons be either locked with an appropriate safety lock or otherwise stored in a safe storage depository so as to prevent unauthorized access and use.

SECTION 3. Definitions.

Whenever used in this Local Law, the following terms shall have the following meanings:

a. Weapon shall be defined as any rifle, shotgun, or firearm, [machine gun or assault weapon including a semiautomatic rifle, shotgun, firearm,] as those terms are defined in Section 265.00 of the New York State Penal Law;

b. Serious physical injury and physical injury shall be defined as provided in Section 10.00 of the Penal Law.

c. Safety locking device shall mean an [design adaptation,] attached accessory or device installed, that when activated or installed prevents the discharge or firing of the weapon.

d. Safe storage depository shall mean a safe or other secure container which, when locked, is incapable of being opened without the key, combination or other unlocking mechanism and is capable of preventing an unauthorized person from obtaining access to and possession of the weapon contained therein.

e. Person shall include corporation, partnership, business or other entity.

f. Operable shall mean, in relation to a weapon, that the weapon is capable, when loaded with ammunition, of being fired or discharged. A weapon which is appropriately locked with a safety lock or stored within a safe storage depository shall not be considered operable for purposes of this Local Law.

SECTION 4. Safety locks or safe storage depositories required.

No person who owns or is custodian of a weapon shall store or otherwise leave such weapon out of his or her immediate possession or control without having first securely locked such weapon in an appropriate safe storage depository or rendered it incapable of being fired by use of a safety locking device appropriate to that weapon.

SECTION 5. Negligent storage of a weapon in the second degree.

A person is guilty of the negligent storage of a weapon in the second degree when he or she stores or leaves a weapon out of his or her immediate control without having first securely locked such weapon in an appropriate safe storage depository or rendered it incapable of being fired by use of a safety locking device appropriate to that weapon. [an operable weapon in any location where such weapon is accessible to another person who is not its owner or custodian.]

SECTION 6. Negligent storage of a weapon in the first degree.

A person is guilty of the negligent storage of a weapon in the first degree when, he or she stores or leaves a weapon out of his or her immediate possession or control without having first securely locked such weapon in an appropriate safe storage depository or rendered it incapable of being fired by use of a safety locking device

appropriate to that weapon [an operable weapon in any location where such weapon is accessible to another person who is not its owner or custodian] and such weapon is accessed by a person who is not the owner or custodian of the weapon and [such weapon is used to] discharged, causing physical injury, serious physical injury or death to any person.

SECTION 7. Requirements at transfer of a weapon.

No person shall sell, deliver or transfer any weapon to another person unless the transferee is provided at the time of sale, delivery or transfer with a safety locking device that is capable of preventing that particular weapon from firing.

SECTION 8. Penalties.

1. Any violation of sections 4, 5, and/or 7 shall be a violation and shall be punished by [imprisonment of not more than 15 days or by] a fine of not more than \$1,000[, or both].

2. Notwithstanding the foregoing, any person who violates sections 4, 5, and/or 7 and who has previously been found guilty of a violation of either of those provisions shall be guilty of a misdemeanor and shall be punished by imprisonment for not more than 30 days or by a fine of not more than \$1,500, or both.

3. Each violation of section 6 shall constitute a misdemeanor and a person found guilty of such misdemeanor shall be punished by imprisonment for not more than one year or by a fine of not more than \$3,000, or both.

SECTION 9. Severability

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm, or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm, or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

SECTION 10. Effective Date

This law shall take effect immediately upon its filing with the Secretary of State.

Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

The Comprehensive Opioid, Stimulant, and Substance Abuse Program (COSSAP) supports states, units of local government, and tribal governments to plan, develop, and implement comprehensive efforts that identify, respond to, treat, and support those impacted by illicit opioids, stimulants, and other drugs. COSSAP funding provides necessary resources that allow communities to respond to illicit substance use and misuse to reduce overdose deaths; promote public safety; and support access to prevention, harm-reduction, treatment, and recovery services in the community and justice system. The program also promotes cross-system planning and coordination to deliver a broad range of evidence-based, culturally relevant interventions.

Statutory Authority

34 U.S.C. 10701. Any awards under this solicitation would be made under statutory authority provided by the Department of Justice Appropriations Act, 2022 (Pub. L. No. 117-103).

Specific Information

Our nation's overdose crisis is a public safety and health emergency that threatens the well-being of individuals who misuse drugs, and impacts the safety of communities. Provisional data from the Centers for Disease Control and Prevention's National Center for Health Statistics indicate that there were an estimated 100,306 drug overdose deaths in the United States during the 12-month period ending in April 2021, an increase of 28.5 percent from the 78,056 deaths reported during the same period the year before.

In addition to the impacts of substance use on individuals and families, this crisis also impacts communities, first responders, the criminal justice system, child welfare and foster care, and behavioral health systems. COSSAP resources are designed to support efforts that respond to, treat, and support those impacted by this crisis, particularly those who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality. These efforts can include community-based programs, diversion from the criminal justice system through law enforcement and other first responder-based responses and court-based programs, as well as programming in jails and prisons to improve access to care.

Additionally, COSSAP funds support:

- Expanding access to evidence-based substance use disorder treatment, such as medication-assisted treatment (which is the use of medications, in combination with counseling and behavioral therapies).
- Advancing racial equity.
- Enhancing evidence-based harm reduction efforts.
- Supporting evidence-based prevention efforts to reduce youth substance use.
- Expanding the addiction workforce.
- Expanding access to recovery support services.

Goals, Objectives, Deliverables, and Timeline

Goals

COSSAP's goals are to reduce the impact of illicit opioids, stimulants, and other substances on individuals and communities, including a reduction in the number of overdose fatalities, as well as mitigate the impacts on crime

victims by supporting comprehensive, collaborative initiatives.

Note that grantees are prohibited from using federal funds to support activities that violate the Controlled Substances Act.

Objectives

Category 1: Local Applications

The objectives of Category 1 are to encourage and support the development of comprehensive, locally driven responses to the illicit use of opioids, stimulants, and other substances that expand access to treatment and recovery support services across the criminal justice system; support law enforcement and other first responder diversion programs for persons with substance use disorders; promote education and prevention activities; and address the needs of children impacted by substance use.

Category 1 Allowable Uses/Activities

Category 1 grant funds may be used to develop, implement, or expand a combination of the allowable use activities described below, or be concentrated on one so long as the proposed budget is appropriate and justified.

- Identifiable and accessible take-back programs for unused controlled substances found in the home and/or used by hospitals and long-term care facilities.
- Law enforcement and other first responder deflection and diversion programs. A variety of multidisciplinary overdose prevention, response, and diversion and referral models, led by law enforcement and other first responders, have emerged in communities throughout the nation.
- Comprehensive, real-time, regional information collection, analysis, and dissemination that promote the use of data for both real-time and comprehensive planning and response to overdoses and emerging drug trends. These types of activities may include the use of data dashboards, the Overdose Detection and Mapping Application Program (ODMAP), Overdose Fatality Review, and forensic epidemiologists and technologies.
- Naloxone for law enforcement and other first responders.
- Education and prevention programs to connect law enforcement agencies with K-12 students.
- Pre-booking or post-booking treatment alternative-to-incarceration programs, such as pretrial, prosecutor, and court diversion or intervention programs, that serve individuals at high risk for overdose or substance use disorder. Note: Funding is available under other BJA solicitations to implement or enhance an adult drug court and/or a veterans treatment court. As such, implementing or enhancing these court models is not an allowable funding activity under COSSAP.
- Court programming to prioritize and expedite treatment and recovery services for individuals at high risk for overdose, as well as services for children and youth impacted by their parents' or other family members' substance use.
- Evidence-based substance use disorder treatment related to opioids, stimulants, and other illicit drugs, such as medication-assisted treatment (MAT), as well as harm reduction activities for and recovery support service engagement with the pretrial and post-trial populations leaving local or regional jails or secure residential treatment facilities. This includes strong coordination between in-custody and community-based treatment and recovery support services that increases access to behavioral health care. Coordination should demonstrate a comprehensive approach to services delivering both place-based care and teleservices.
- Transitional or recovery housing and peer recovery support services. Note: No more than 30 percent of total grant funds may be used for transitional or recovery housing.

Embedding social workers, peers, and/or persons with lived experience at any intercept of the Sequential Intercept Model to assist persons in the criminal justice system and their families navigate the justice

system and increase their connection to treatment and recovery support services. Social workers, peers, and/or persons with lived experience may be embedded within law enforcement, pretrial and probation agencies, prosecutor-led programs, legal defense agencies, child welfare agencies, courts, and jails to support community reentry.

- Field-initiated projects that bring together justice, behavioral health, and public health practitioners to implement new or promising practices, which may not yet have a research base in addressing the impact of opioids, stimulants, and other substances on communities as a whole and individuals at risk of or with justice system involvement. This includes the application of evidence-based strategies from other fields that have not yet been fully examined in the justice context. **Applications for field-initiated projects must include a research partner.**

All proposed projects should include a multidisciplinary coordinating body that focuses on addressing the issues that arise due to the impacts of illicit opioids, stimulants, and other drugs. Such bodies could be criminal justice coordinating councils, prevention coalitions, or overdose fatality reviews that include representatives from public safety, public health, behavioral health, K-12 education, family services, local government, and nonprofit services agencies. These entities are not intended to be temporary in nature, such as a task force, but are instead intended to exist as a permanent standing body that will increase cooperation and collaboration to sustain efforts across all sectors.

Applicants should also strongly consider formally partnering with a researcher at the outset of the proposed project. These researcher-practitioner partnerships assist with ongoing problem analysis, identification of evidence-based responses, strategic planning of interventions, implementation assessment, and conducting an impact evaluation. Note: No more than 20 percent of total grant funds may be used for research and evaluation.

Additional program information, including examples of currently funded COSSAP projects, may be found at www.cossapresources.org.

Category 2: Applications from States on Behalf of County, Local, Municipal, or Tribal Communities

The objective of Category 2 is to support states in their efforts to implement and enhance one or more of the allowable activities detailed under Category 1 in a **minimum of six** geographically diverse counties, localities, regions, or tribal jurisdictions.

The state may retain up to \$800,000 in total (not annually) for administrative purposes and to support the mandatory deliverables. In addition, up to an additional \$400,000 must be used to support an independent evaluation of the project's activities across the sites. The balance of funds must be subawarded to local communities, regions, or tribal entities.

Deliverables

Deliverables for Category 2:

- Selected applicants **must** develop an action plan within the first 6 months of the grant award. The action plan must be developed with the identified researcher and must contain a description of the problem and the data that led to its identification, a logic model that identifies the solution(s) to be tested and the project's result(s), and the plan for an impact evaluation.
- Select and provide subawards to a minimum of six geographically diverse localities or regions (sites) within the state within 9 months of the grant award.
- Implement one or more of the allowable activities detailed under Category 1. Support a robust planning period for the sites, if needed, to support implementation efforts at each of the sites. Coordinate cross-site training and peer-to-peer learning.
- In collaboration with an independent researcher, conduct an evaluation of all grant-funded activities and provide a copy of the annual, interim, and final evaluation reports prior to the close of the grant period.

Applicants applying for funding under Categories 1 and 2 must:

Agree to work closely with a researcher selected by BJA who may conduct a site-specific or cross-site

evaluation in future years.

- Agree to maintain a working relationship with the BJA-supported COSSAP training and technical assistance (TTA) providers. BJA has a team of TTA providers to assist grantees in implementing the program and assist the field at large. BJA's overall TTA will include individualized, efficient, and consistent delivery of services in order to help grantees accomplish their goals by the end of the project period. BJA and the TTA partners will assess needs and develop training, targeted technical assistance, and tools for the field. This will include ongoing coaching and dialogue, as well as support for peer-to-peer dialogue and training, knowledge diffusion products, grantee learning communities, dissemination of best practices and lessons learned, and a listserv.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work's results as discussed in the "Application and Submission Information" section.

Evidence-Based Programs or Practices

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the [OJP Grant Application Resource Guide](#) section entitled "Information Regarding Potential Evaluation of Programs and Activities."

OJP Priority Areas

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

1. Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*

Consistent with this Executive Order, the term "underserved community" refers to a population sharing a particular characteristic, as well as a geographic community, that has been systematically denied a full opportunity to participate in aspects of economic, social, and civic life or whose members have been historically underserved, marginalized, and adversely affected by inequality. Such communities include, among others, Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and Pacific Islanders.

In support of Executive Order 13985, OJP will:

A. Give priority consideration to applications that include project(s) that will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, when making award decisions.

To receive this consideration, the applicant must describe how the proposed project(s) will address potential inequities and barriers to equal opportunity, and/or contribute to greater access to services for underserved and historically marginalized populations.

B. Give priority consideration to applicants that can demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because the applicant (or at least one proposed subrecipient that will receive at least 30 percent of the requested award funding, as demonstrated in the budget worksheet and budget narrative) identifies as a culturally specific organization. To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s) and should also specify which culturally specific populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to, among others,

Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

Additional Program Priority Considerations:

In FY 2022, and in addition to executing any statutory prioritization that may be applicable, OJP will also give priority consideration to: Applications in Category 1 that include a research partner. Research partnerships in Category 2 are required.

To receive priority consideration under the research partner priority, Category 1 applicants must include information on the qualifications, requirements, role, and responsibility of the research partner, and commitment by the applicant to share relevant data. For assistance on research partnerships, applicants may wish to access the Center for Research Partnerships and Program Evaluation at <https://bja.ojp.gov/program/crppe/overview>.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas is not a guarantee of an award.

Continuation Funding Intent

BJA may, in certain cases, provide additional funding in future years to awards made under this solicitation through continuation awards. OJP will consider, among other factors, OJP's strategic priorities, a recipient's overall management of the award, and the award-funded work's progress, when making continuation award decisions.

Availability of Funds

This solicitation, and awards (if any are made) under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States; its departments, agencies, or entities; its officers, employees, or agents; or any other person.

Types of Awards

BJA expects to make awards under this solicitation as grants. See the "Administrative, National Policy, and Other Legal Requirements" section of the [OJP Grant Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants (and cooperative agreements).

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [OJP Grant Application Resource Guide](#) for additional information.

Budget Information

The budget must explicitly describe how the proposed budget items directly apply to the program's design and will assist the applicant in meeting the program's objectives.

If an applicant proposes to fund recovery or transitional housing, no more than 30 percent of the total budget may be used for this purpose. For guidance on recovery housing, please see the [U.S. Department of Housing and Urban Development's Policy Brief](#). Per the Substance Abuse and Mental Health Services Administration, transitional housing typically involves a temporary residence for up to 24 months with wraparound services to help people stabilize their lives.

Transportation services may be included in the budget. These services may be provided to individuals who are engaged with the courts and have community corrections appointments, treatment- and/or recovery support-related appointments and activities, and require other necessary services to support their treatment and recovery, and who have no other means of obtaining transportation. Forms of transportation services may include public transportation, ride services, or a licensed and insured driver who is affiliated with an eligible program provider. If such costs are included, the applicant should be able to certify that they are nonredeemable, nontransferable, and that their use by participants is auditable. The applicant must have written policies for determining eligibility, tracking distribution, and ensuring that passes are only used for transportation related to the program's activities.

BJA anticipates one national meeting will occur annually for which applicants must budget for travel expenses (airfare, hotel, per diem, and group transportation). Additionally, all applicants should budget for a minimum of two staff to attend two face-to-face meetings during the award period. Each meeting should be budgeted for 3 days each in Washington, D.C. The purpose of this travel may vary according to the funding category and specific project objectives; however, BJA wants to ensure that all grantees have the opportunity to present their work and collaborate with their peers and other national and federal stakeholder groups. Category 2 applicants must require that all subrecipient sites budget to have a minimum of two staff members attend the annual national meetings as well.

Submit a budget that is complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities) and includes the required meetings budgeted for each year. The budget narrative should generally demonstrate how the applicant will maximize cost effectiveness of grant expenditures. The budget narrative should demonstrate cost effectiveness in relation to potential alternatives and the objectives of the

project.

Include an appropriate percent of the total grant award for performance measurement. (See “Plan for Collecting the Data.”) There is no minimum or maximum requirement regarding what constitutes an appropriate percent; however, the budget should be adequate to fund the activities outlined in the application. The budget narrative should explain how the amount dedicated to these activities is adequate to support the proposed activities. Additional funds may be used for proposed or required research and evaluation activities as detailed below.

Category 1: Local Applicant

Applicants should heed the budget restrictions associated with their subcategory, based on the project site’s population size. Additionally, no more than 20 percent of the total budget may be used to support research or evaluation services.

Category 2: State Applicant

Applicants should heed the following budget restrictions associated with the number of proposed project sites. No more than \$800,000 may be retained by the state for administrative purposes and to support the mandatory deliverables. In addition to the \$800,000 that may be retained for administrative expenses, up to an additional \$400,000 of the total funds must be used to support an independent evaluation of the project’s activities across the sites. The remaining federal funds must be passed through to the proposed project sites. States that have no county or local government-managed addiction service systems may contract funds directly to providers at the community level.

In addition to the unallowable costs identified in the DOJ Grants Financial Guide, award funds may not be used for the following:

- Prizes, rewards, entertainment, trinkets, or any other monetary incentives
- Client stipends
- Gift cards
- Vehicles
- Food and beverages

Digital Trust

Technological devices, artificial intelligence, predictive analytics, and other data-driven solutions (“Technological Enhancements”) are increasingly used to augment crime reduction strategies and efforts. Care must be taken to assess and address any potential harm that could be activated by these solutions to ensure privacy, civil rights, and civil liberties are protected. Applicants proposing to utilize grant funds to support technological enhancements directly or via training and technical assistance may receive priority consideration if their proposal addresses the tenants of digital trust such as:

- How the technology will be carefully implemented through training of personnel and the setting and enforcement of policies governing its use to ensure that it contributes to positive outcomes for public safety, the community and/or the criminal justice system.
- How the applicant will safeguard privacy, civil rights, and civil liberties throughout the duration of the project period.

Federal funds may also not be used to replace (supplant) nonfederal dollars that are appropriated for the same purpose. For a definition of supplanting, visit: <https://ojp.gov/grants101/definitions.htm>.

Unmanned Aircraft Systems

The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and all accompanying accessories to support UAS or UAV, is unallowable.

This solicitation does not require a match.

Discuss what data sources will be used and any legal, policy, or other barriers to gaining access to the data and how those barriers will be addressed. Note: Researchers should be experienced in several different data collection methodologies and both quantitative and qualitative research methods. It is preferable that they have several years of evaluation research experience and experience with oral and written presentations of research results. Research partners should be able to conduct scientifically rigorous evaluations and well versed in evaluation methods.
- Describe who will serve as the project coordinator, the project coordinator's project-related duties, the amount of time this position will dedicate to the project per week, and which agency will house the project coordinator. If the applicant is seeking priority consideration under Priority 1(B), it should describe within this section how being a culturally specific organization (or funding a culturally specific subrecipient organization at a minimum of 30 percent of the project budget) will enhance its ability to implement the proposed project(s) and should also specify which culturally specific populations are intended or

expected to be served or have their needs addressed under the proposed project(s).

d. Plan for Collecting the Data Required for this Solicitation's Performance Measures

Note: Applicants are **not** required to submit performance data with the application. Rather, performance measures information is included as an alert that successful applicants will be required to submit performance data as part of the reporting requirements under an award.

OJP will require each successful applicant to submit regular performance data that show the completed work's results. The performance data directly relate to the goals, objectives, and deliverables identified in the "Goals, Objectives, and Deliverables" discussion. Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 8:59 PM ET on June 13, 2022

The **full application** must be submitted in JustGrants by 8:59 PM ET on June 17, 2022

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline.

Experiencing Unforeseen Technical Issues

An applicant that experiences unforeseen SAM.gov, Grants.gov, or JustGrants technical issues beyond its control that prevents application submission by the deadline must demonstrate all efforts in requesting technical support in order to submit an application by the deadline. Technical support is available via phone and email to the applicable SAM.gov, Grants.gov, or JustGrants support centers or service desks in which an applicant received a ticket number for resolution. If an applicant misses a deadline due to unforeseen technical difficulties, the applicant may request a waiver to submit an application after the deadline. *Note: If an applicant does not submit all the required Grants.gov forms by the Grants.gov deadline, the applicant will not be able to proceed to the JustGrants portion of the application process.*

An applicant experiencing technical difficulties with the following systems must contact the associated support desk indicated below to report the technical issue and receive a tracking number:

- Grants.gov — Contact the [Grants.gov Customer Support Hotline](#).
- SAM.gov — Contact the [SAM Help Desk \(Federal Service Desk\)](#).
- JustGrants — Contact the JustGrants Support Desk at JustGrants.Support@usdoj.gov or 833-872-5175.

An applicant requesting a waiver to submit a late application must document their request for technical assistance in an email to the OJP Response Center grants@ncjrs.gov **within 24 hours after the application deadline** to request approval to submit their application after the deadline. If an applicant has technical issues with Grants.gov, the applicant must contact the OJP Response Center within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. However, waiver requests will not be reviewed until after the JustGrants deadline to allow time for all waivers to be submitted. Waiver requests to submit after the submission deadline must:

- Describe the technical difficulties experienced.
- Include a timeline of the applicant's submission efforts (e.g., what date and time did the error occur, what date and time was action taken to resolve the issue and resubmit; and what date and time did support representatives respond).
- Include an attachment(s) of the complete grant application and all required documentation and material.

Include the applicant's Unique Entity Identifier (UEI), and any applicable SAM.gov tracking number(s),

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Criteria

a. Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

1. Statement of the Problem/Description of the Issue (15 percent) — Evaluate the applicant’s understanding of the program/issue to be addressed.
2. Project Design and Implementation (40 percent) — Evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (25 percent) — Evaluate the administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.
4. Plan for Collecting the Data Required for this Solicitation’s Performance Measures (10 percent) — Evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.
5. Budget (10 percent) — Evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

b. Other Review Criteria/Factors

Other important considerations for BJA include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned), available funding, past performance, and the extent to which the budget worksheet and budget narrative (web-based form) accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process

Applications submitted under this solicitation that meet basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and BJA recommendations, but also other factors as indicated in this section.

✓ Award Letter

September 30, 2022

Dear Patrick Alderson,

On behalf of Attorney General Merrick B. Garland, it is my pleasure to inform you the Office of Justice Programs (OJP) has approved the application submitted by ALBANY COUNTY OFFICE BUILDINGS for an award under the funding opportunity entitled 2022 BJA FY 22 Comprehensive Opioid, Stimulant, and Substance Abuse Site-based Program. The approved award amount is \$1,260,648.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the assurances and certifications, and the application as approved by OJP, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

Deputy Assistant Attorney General

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the

Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>.

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

Albany, NY 12207

Dear Mr. McCoy:

I am pleased to announce that Albany County has been awarded \$50,000 in federal funding under the FY2020 Cyber Security Grant Program. Funding for this initiative is provided by the U.S. Department of Homeland Security's (DHS) State Homeland Security Grant Program (SHSP) and is administered by the New York State Division of Homeland Security and Emergency Services (DHSES). The performance period for this award is October 1, 2022 through August 31, 2023.

As outlined in your application, this funding is provided to enhance and sustain your jurisdiction's cyber security posture as well as ensure that your information systems are secured and protected from cyber incidents through equipment, training, exercise, and planning projects.

Additionally, all capabilities developed through federal FY2020 SHSP funding are required to be deployable regionally and nationally per the federal guidelines. All funding through this grant program is subject to both New York State and federal guidelines and regulations.

In order to ensure these funds are made available as quickly as possible, a representative from DHSES' Grants Program Administration Unit will be reaching out to your grant point of contact. If you have any questions about this program, please contact Eric Abramson, Director of Grants Program Administration at (518) 402-2123.

Congratulations on your award and I look forward to working with you to administer this program.

Sincerely,

A handwritten signature in black ink that reads "Jacqueline Bray".
