- A. It is the policy of both the Municipality and the State of New York (the “State”) to achieve energy efficiency and renewable energy improvements, reduce greenhouse gas emissions, mitigate the effect of global climate change, and advance a clean energy economy. The Municipality finds that it can fulfill this policy by providing property assessed clean energy financing to Qualified Property Owners (as defined below) for the installation of renewable energy systems and energy efficiency measures. This local law establishes a program that will allow the Energy Improvement Corporation (as defined below, “EIC”), a local development corporation, acting on behalf of the Municipality pursuant to the municipal agreement (the “Municipal Agreement”) to be entered into between the Municipality and EIC, to make funds available to Qualified Property Owners that will be repaid through charges on the real properties benefited by such funds, thereby fulfilling the purposes of this local law and accomplishing an important public purpose. This local law provides a method of implementing the public policies expressed by, and exercising the authority provided by, Article 5-L of the General Municipal Law (as defined below, the “Enabling Act”).
- B. The Municipality is authorized to execute, deliver and perform the Municipal Agreement and otherwise to implement this Energize NY Open C-PACE Financing Program pursuant to the Constitution and laws of New York, including particularly Article IX of the Constitution, Section 10 of the Municipal Home Rule Law, the Enabling Act and this local law.

EIC, on behalf of the Municipality, and with the consent of the Benefited Property Owner, will record a Benefit Assessment Lien on the Benefited Property in the Secured Amount (the "Benefit Assessment Lien") on the land records for the Municipality. Such recording shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the Municipality.

- B. Before a Qualified Property Owner and a Financing Party enter into a Finance Agreement which results in a loan to finance a Qualified Project, repayment of which is secured by a Benefit Assessment Lien, a written consent from each existing mortgage holder of the Qualified Property shall be obtained, permitting the Benefit Assessment Lien and each Annual Installment Lien to take priority over all existing mortgages.

§4. Procedures for eligibility

- A. Any property owner in the Municipality may submit an application to EIC on such forms as have been prepared by EIC and made available to property owners on the website of EIC and at the Municipality's offices.
- B. Every application submitted by a property owner shall be reviewed by EIC, acting on behalf of the Municipality, which shall make a positive or negative determination on such application based upon the criteria enumerated in the Enabling Act and § 5 of this local law. EIC may also request further information from the property owner where necessary to aid in its determination.
- C. If a positive determination on an application is made by EIC, acting on behalf of the Municipality, the property owner shall be deemed a Qualified Property Owner and shall be eligible to participate in the Program in accordance with § 6 of this local law.

§5. Application criteria

Upon the submission of an application, EIC, acting on behalf of the Municipality, shall make a positive or negative determination on such application based upon the following criteria for the making of a financing:

- A. The property owner may not be in bankruptcy and the property may not constitute property subject to any pending bankruptcy proceeding;
- B. The amount financed under the Program shall be repaid over a term not to exceed the weighted average of the useful life of Renewable Energy Systems and Energy Efficiency Improvements to be installed on the property as determined by EIC;
- C. Sufficient funds are available from Financing Parties to provide financing to the property owner;

- D. The property owner is current in payments on any existing mortgage on the Qualified Property;
- E. The property owner is current in payments on any real property taxes on the Qualified Property; and
- F. Such additional criteria, not inconsistent with the criteria set forth above, as the State, the Municipality, or EIC acting on its behalf, or other Financing Parties may set from time to time.

§6. Energize NY Finance Agreement

- A. A Qualified Property Owner may participate in the Program through the execution of a finance agreement made by and between the Qualified Property Owner and a Financing Party, to which EIC, on behalf of the Municipality, shall be a third-party beneficiary (the “Finance Agreement”). Upon execution and delivery of the Finance Agreement, the property that is the subject of the Finance Agreement shall be deemed a “Benefited Property”).
- B. Upon execution and delivery of the Finance Agreement, the Benefited Property Owner shall be eligible to receive funds from the Financing Party for the acquisition, construction, and installation of a Qualified Project, together with Eligible Costs and Financing Charges approved by EIC and by the Financing Party, provided the requirements of the Enabling Act, the Municipal Agreement and this local law have been met.
- C. The Finance Agreement shall include the terms and conditions of repayment of the Secured Amount and the Annual Installment Amounts.
- D. EIC may charge fees to offset the costs of administering the Program and such fees, if not paid by the Financing Party, shall be added to the Secured Amount.

§7. Terms and conditions of repayment

The Finance Agreement shall set forth the terms and conditions of repayment in accordance with the following:

- A. The principal amount of the funds loaned to the Benefited Property Owner for the Qualified Project, together with Eligible Costs and Financing Charges approved by EIC and by the Financing Party, shall be specially assessed against the Benefited Property and will be evidenced by a Benefit Assessment Lien recorded against the Benefited Property on the land records on which liens are recorded for properties within the Municipality. The special benefit assessment shall constitute a “charge” within the meaning of the Enabling Act and shall be collected in annual installments in the amounts certified by the Financing Party in a schedule provided at closing and made part of the Benefit Assessment Lien. Said amount shall be annually levied, billed and collected by EIC, on behalf of the Municipality, and shall be paid to the Financing Party as provided in the Finance Agreement.
- B. The term of such repayment shall be determined at the time the Finance Agreement is executed by the Benefited Property Owner and the Financing Party, not to exceed the weighted average of the useful life of the systems and improvements as determined by EIC, acting on behalf of the Municipality.

- C. The rate of interest for the Secured Amount shall be fixed by the Financing Party in conjunction with EIC, acting on behalf of the Municipality, as provided in the Finance Agreement.

§8. Levy of Annual Installment Amount and Creation of Annual Installment Lien

- A. Upon the making of the loan pursuant to the Finance Agreement, the Secured Amount shall become a special Benefit Assessment Lien on the Benefited Property in favor of the Municipality. The amount of the Benefit Assessment Lien shall be the Secured Amount. Evidence of the Benefit Assessment Lien shall be recorded by EIC, on behalf of the Municipality, in the land records for properties in the Municipality. Such recording shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the Municipality. The Benefit Assessment Lien shall not be foreclosed upon by or otherwise enforced by the Municipality.
- B. The Finance Agreement shall provide for the repayment of the Secured Amount in installments made at least annually, as provided in a schedule attached to the Benefit Assessment Lien (the "Annual Installment Amount"). The Annual Installment Amount shall be levied by EIC, on behalf of the Municipality, on the Benefited Property in the same manner as levies for municipal charges, shall become a lien on the Benefited Property as of the first day of January of the fiscal year for which levied (the "Annual Installment Lien") and shall remain a lien until paid. The creation or any recording of the Annual Installment Lien shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the Municipality. Payment to the Financing Party shall be considered payment for this purpose. Such payment shall partly or wholly discharge the Annual Installment Lien. Delinquent Annual Installment Amounts may accrue Financing Charges as may be provided in the Finance Agreement. Any additional Financing Charges imposed by the Financing Party pursuant to the Finance Agreement shall increase the Annual Installment Amount and the Annual Installment Lien for the year in which such overdue payments were first due.
- C. The Benefit Assessment Lien shall be reduced annually by the amount of each Annual Installment Lien when each Annual Installment Lien becomes a lien. Each Annual Installment Lien shall be subordinate to all Municipal Liens, whether created by Section 902 of the RPTL or by any other State or local law. No portion of a Secured Amount shall be recovered by the Municipality, EIC, or an assignee upon foreclosure, sale or other disposition of the Benefited Property unless and until all Municipal Liens are fully discharged. Each Annual Installment Lien, however, shall have priority over all Non-Municipal Liens, irrespective of when created, except as otherwise required by law.
- D. Neither the Benefit Assessment Lien nor any Annual Installment Lien shall be extinguished or accelerated in the event of a default or bankruptcy of the Benefited Property Owner. Each Annual Installment Amount shall be considered a charge upon the Benefited Property and shall be collected by EIC, on behalf of the Municipality, at the same time and in the same manner as real property taxes or municipal charges. Each Annual Installment Lien shall

remain a lien until paid. Amounts collected in respect of an Annual Installment Lien shall be remitted to EIC, on behalf of the Municipality, or the Financing Party, as may be provided in the Finance Agreement.

- E. EIC shall act as the Municipality's agent in collection of the Annual Installment Amounts. If any Benefited Property Owner fails to pay an Annual Installment Amount, the Financing Party may redeem the Benefited Property by paying the amount of all unpaid Municipal Liens thereon, and thereafter shall have the right to collect any amounts in respect of an Annual Installment Lien by foreclosure or any other remedy available at law. Any foreclosure shall not affect any subsequent Annual Installment Liens.
- F. EIC, on behalf of the Municipality, may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens to Financing Parties that provide financing to Qualified Properties pursuant to Finance Agreements. The Financing Parties may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens received from EIC, on behalf of the Municipality, subject to certain conditions provided in the administration agreement between EIC and the Financing Party. The assignee or assignees of such Benefit Assessment Liens and Annual Installment Liens shall have and possess the same powers and rights at law or in equity as the Municipality would have had if the Benefit Assessment Lien and the Annual Installment Liens had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection.

§9. Verification and report

EIC, on behalf of the Municipality, shall verify and report on the installation and performance of Renewable Energy Systems and Energy Efficiency Improvements financed by the Program in such form and manner as the Authority may establish.

§10. Separability.

If any clause, sentence, paragraph, section, or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section, or part thereof involved in the controversy in which such judgment shall have been rendered.

§11. Compatibility with Local Law No. 5 for 2016

Local Law No. 5 for 2016, as amended by Local Law No. 2 for 2018, shall remain in full force and effect with respect to the financing already made available to property owners pursuant to such Local Law, as amended, but as of the Effective Date of this Local Law no new financing shall be provided pursuant to Local Law No. 5 for 2016, as amended by Local Law No. 2 for 2018 and all further financing provided pursuant to the Enabling Act shall be in accordance with and governed by this Local Law.

Section 2. This local law shall take effect upon filing with the Secretary of State.
