

**RESOLUTION NO. 338**

**AUTHORIZING AN AGREEMENT WITH MID-STATE INDUSTRIES REGARDING REMEDIATION AND REPAIR OF THE SOLIDS BUILDING FACADE OF THE NORTH PLANT OF THE SEWER DISTRICT**

Introduced: 9/14/15

By Public Works Committee:

WHEREAS, The Commissioner of the Department of General Services has requested authorization to enter into an agreement with Mid-State Industries regarding the remediation and repair of the North Plant Solids Building facade, and

WHEREAS, The Commissioner indicated that the project includes the removal and replacement of the Solids Disposal Building concrete and masonry façade and parapet in the deteriorated area of the west facade, repair and replacement of a steel beam in the west facade, installation of interior concrete curb to prevent future leakage in west facade area, removal and replacement of masonry in the cracked area of the garage of the Pretreatment Building, and

WHEREAS, The Department, through the County Purchasing Agent, issued a request for bids and three bids were received, and

WHEREAS, A selection committee consisting of our engineering consultant, Clough, Harbour & Associates, LLP and the Districts engineers reviewed said proposals and recommended awarding the contract to Mid-State Industries as the lowest responsible bidder, now, therefore be it

RESOLVED, By the Albany County Legislature that the County Executive is authorized to enter into an agreement with Mid-State Industries in an amount not to exceed \$235,267 regarding the Remediation and Repair of the North Plant Solids Building façade, and, be it further

RESOLVED, That the County Attorney is authorized to approve said agreement as to form and content, and, be it further

RESOLVED, That the Clerk of the County Legislature is directed to forward certified copies of this resolution to the appropriate County Officials.

*Adopted by unanimous vote. 9/14/15*
