A LOCAL LAW PROHIBITING CYBER-BULLYING IN ALBANY COUNTY

Introduced: 7/12/10

By Messrs. Scavo, Morse, McCoy, Beston, Bullock, Clay, Clenahan, Commisso, Ms. Connolly, Messrs. Cotrofeld, Dawson, Gordon, Houghtaling, Joyce, Infante, Ms. Maffia-Tobler, Messrs. Mayo, Nichols, Rahm, Steck, Ward, Aylward, Horstmyer and Reilly:

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ALBANY, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that bullying is a long-standing problem among school-aged children in Albany County and throughout the nation and with the advent of technology, bullying has transformed from a predominantly school-based issue to a broader societal problem.

This Legislature further finds and determines that cyber-bullying, which consists of non-physical bullying behaviors transmitted by electronic means, is the newest form of harassment.

This Legislature finds that cyber-bullying is rampant: forty two percent (42%) of children in the fourth through eighth grade surveyed in a recent poll reported being bullied online.

This Legislature determines that cyber-bullying follows its victims everywhere they go and can occur at any time of the day or night, as it is perpetrated online and/or through text and picture messages on cellular phones and handheld devices.

This Legislature also finds that perpetrators of cyber-bullying are often more extreme in the threats and taunts they inflict on their victims, as they do not actually see their victim's emotional reaction to the abuse and believe they are anonymous.

This Legislature further finds that victims of cyber-bullying suffer very real and serious harm as a result of these incidents, often showing signs of depression, anxiety, social isolation, nervousness when interacting with technology, low self esteem, and declining school performance.

This Legislature also determines that, in some cases, victims attempt or commit suicide in part because of the cyber-bullying they've endured.

This Legislature further determines that several states have enacted laws criminalizing cyber-bullying but, to date, the New York State Legislature has failed to address this problem.

This Legislature finds that Albany County should do everything in its power to protect its residents from such reprehensible behavior.

Therefore, the purpose of this law is to ban the cyber-bullying in the County of Albany.
