

The HOMES Rebate Program

GENERAL INFORMATION

Homeowners that make changes to cut their energy usage by at least 35% can get up to \$4,000 in rebates. Low- and middle-income households can get up to \$8,000

ELIGIBILITY

The incentives available through the HOMES program aren't restricted by income and are based on the actual performance of your whole-home energy efficiency and electrification improvements

WHO MANAGES IT?

The program is managed by NYSERDA and it will take between 12 to 24 months for this funding to be available. Be on the look out for more information from NYSERDA
